REVIEW FRAMEWORK

Audience: Project team and stakeholders.
Inputs: Plans, models, references and feedback.
Status: Illustrative presentation sample.
Scope: Confirmed in the project proposal.

See the whole picture.

02 / STUDY

Model development

03 / REFINE

Exterior refinement

READ THE CONTEXT

Use the views together to understand spatial relationships, materials, and the experience of arrival.

Example review focus: overall character, key sightlines, and consistency with the agreed brief.

Details that complete the story.

04 / REFINE

Kitchen refinement

05 / PRESENT

Kitchen presentation

YOUR NEXT STEP

Review. Align. Refine.

Return one consolidated feedback list, referencing the view labels. Final image counts, resolutions, formats, and revision rounds are agreed per project.
